AREAS OF EXPERTISE

- Assessment of Adults and Adolescents over 16 years.
- Medico-legal reports
- Clinical Negligence
- Capacity Assessments
- Personality Assessments
- Cognitive Assessments
- Mental Health
- Parenting Assessments
- Diagnostic Assessments
- Immigration & Asylum tribunals
- Housing
- Domestic Violence
- Trauma
- Abuse
- Neglect
- Sleep and Behavioural Difficulties
- Behavioural Change
- CBT / EMDR

I undertake independent assessments in a variety of areas and write reports for the courts relating to the above.

RELEVANT EXPERIENCE

I have a wealth of experience which I utilise during my assessments for Expert Witness work. I have worked with Courts, Crown Prosecution Service, Local Authorities and Lawyers both for the prosecution and the defence.

I have assessed individuals including adults in family cases, medico-legal cases & forensic cases. I have prepared capacity, cognitive and full psychological reports for use in pre-proceedings and for criminal proceedings.

In addition, I have prepared reports relating to developmental disorders including Asperger Syndrome and autism.

I run a private practice utilising CBT to address issues related to anxiety disorders including post-traumatic stress, obsessive compulsive behaviours, depression and behavioural change.

REPORTS

I have prepared more than 200 reports within medico-legal settings, family court and forensic proceedings.

- Private and Public Law assessments in those over 16 years.
- Fitness to Plead / Capacity
- Full Psychological Assessments
- IQ assessments
